**Activity 23**   **Social responses**   ▶ Type: Tangram   ▶ Time: 15 min

**Focus**            Function: Making the right response

**Preparation**    Copy sheet 23 and cut out the triangles so that there is one set for each pair of students.

**Procedure**

- 1 Students work in pairs. Give each pair one set of cards and tell them they should match the sentence on the edge of each triangle with the correct response on another triangle until the star shape is completed.
- 2 Check answers in class by having volunteers read out a sentence and having another student respond.
