- 1 Hand out the sheets and give students a minute to look at the pictures.
- 2 Go through the pictures, one by one, asking what they think the situations were.
- 3 Tell the students you want them to talk about an event that happened to them, related to one of the pictures.
- 4 The pictures are just springboards, for example, picture 1 might make someone think about buying a perfect present or about Christmas shopping; picture 2 may remind them of going camping as a child or an awful holiday they experienced. Ask for ideas for pictures 3-6.
- 5 Students work in groups of three or four and each relate an experience prompted by one of the pictures.
