German as a Foreign Language for children and young students

Courses

Our courses are consequently in alignment with CEFR (Common European Framework of Reference for Languages). All common exam formats are practised within the courses.

For children

Meine Freunde und ich – especially developed for young children

Students aged 4+

A1

- Cautious approach to the written language
- Easy orientation for children in the exercise block and through picture cards
- Step-by-step instructions also suitable for less experienced teachers

Hallo Anna neu – with a gentle start and a playful approach

Students aged 6+

A1

- Includes a preparation course with a focus on listening, looking and playing
- Digital coursebook with audios, videos and interactive exercises
- Teacher's book with picture cards for direct use in class, teaching tips and CD ROM with master copies

Wo ist Paula? – Learning German is fun!

Students aged 8+

A1 A1+

- Very gentle progression – in four volumes to level A1+
- Per volume one short, illustrated reading story for children
- Video sequences encourage to reenact the scenes and support speech acts

Die Deutschprofis – inspired by „Das neue Deutschmobil“

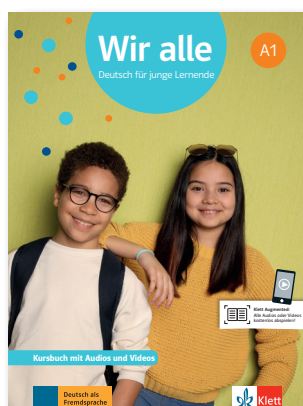

Students aged 8+

A1 A2 B1

- Rhythm exercises as rap songs
- Grammar-to-discover by means of comics
- Grammar-to-touch with animated grammar clips that can be copied by the students

German as a Foreign Language for children and young students

For young students
