Telling a story

1. Time signals

Tonight
Suddenly
One day
Yesterday
The day before yesterday
The other day
Last week
I happened to meet
I had a(n) … experience.
Beginning of April
End
On July 16, 2011
In 2010
I used to
Tomorrow
The day after tomorrow
Next Friday
Next week
This time tomorrow
This time next year

2. Sequences of events

First
Then
After that
Immediately afterwards
Later
Finally
At last
