5. Haus und Garten

a) Haus und Wohnung (the skyscraper)

Find the words that "live" in the many floors of this skyscraper. The length of the words and the letters given help you. Watch out, some words don't "live" in the skyscraper.

When you have completed the task, the letters in the numbered windows make the solution. Write it in your exercise book.

attic own neighbour paint roof cottage property low window live construction stone curtain wooden cellar building rubbish apartment lock shut garage let box tall key entrance board floor collection separate

By the way

One of the longest English words is: *supercalifragilisticexpialidocious*. It was in the song with the same title in the Disney musical film Mary Poppins.

- How many letters does this artificial word have?
- Can you spell it?
- Do you know some English words that only consist of one letter?

f) Auf dem Land (word search)

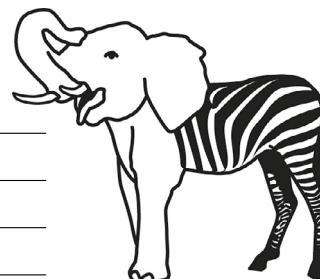

Find as many words as possible. Mark and colour them. Look → and ↓.
