Please can you send me some information about Globetrotter Travel's adventure holidays.
My wife and I would like to take a vacation in Mexico. She's very interested in archaeology and wants to see the old temples. I love diving and water sports, so Mexico is perfect for us both. We want to learn about Mexican culture, maybe visit a festival – and try some traditional food. When is a good time to visit? (We hate very hot weather!) What's the weather like in the fall? Can you arrange car rental for us?
We can come to your office next week – what are your office opening hours?
Thank you for your help,
Peter Carter
