

A multicultural society in numbers

4.3.1

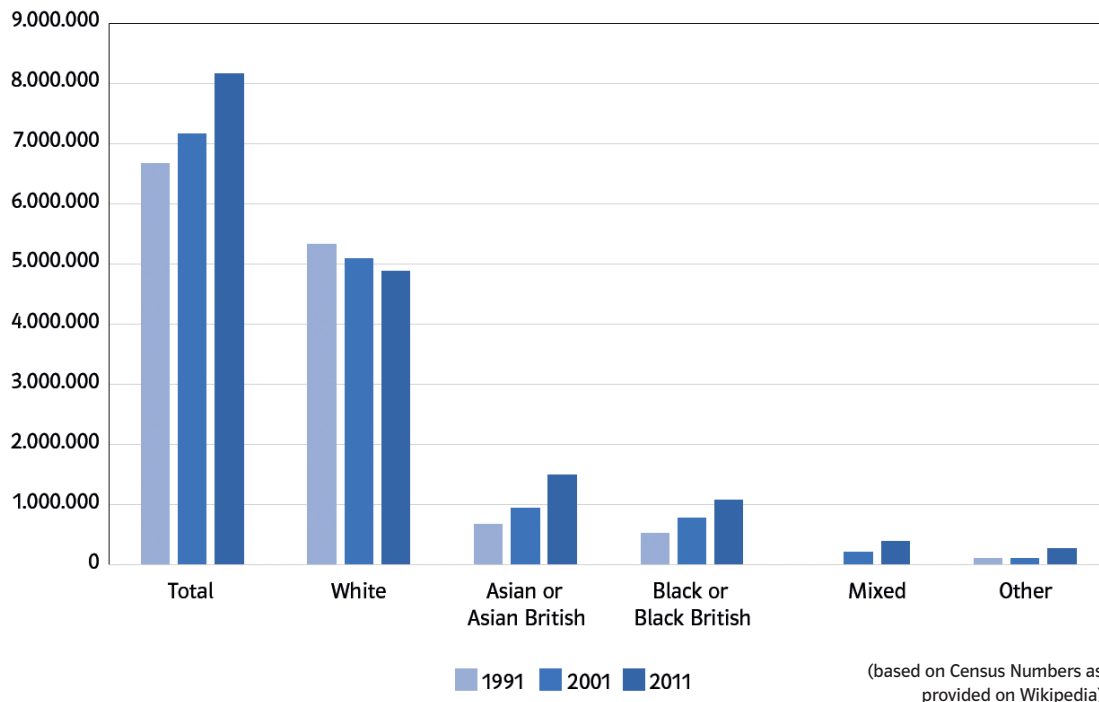

1. Get together with a partner. Describe the statistics below to each other in a 'lend me your eyes' activity. Partner A describes the top visual, Partner B the one below.

2. Together, summarise the statistics and relate them to "The Embassy of Cambodia".

Partner A:

Population

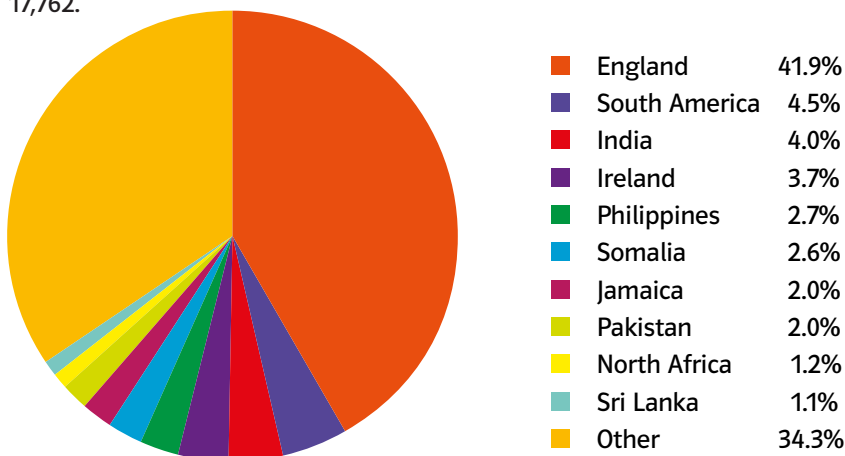

Ethnic Groups in London

fold here

Partner B:

In 2011, the total population in Willesden was 15,589. In 2019 the population estimate for Willesden was 17,762.

Countries people from Willesden were born in
(based on the 2011 Census, Office for National Statistics, UK)
